Join volunteers from both sides of the border on a *mission possible* to save this unique wetland habitat!

Kids and adults become *avengers* as they take part in the largest volunteer event of its kind. This event is also part of the 4th annual Creek to Bay cleanup.

- Register in advance to receive a free t-shirt and lunch.
- Participate in a tour to learn the importance of wetland habitat.
- Plant native species and remove invasive species and trash
- Enjoy activities, music and a free raffle.
